

First Baptist Church - 822 23rd Street

Established in 1840, First Baptist Church is one of the oldest Baptist Churches in Texas. The building in this photograph was erected in 1905, after the 1900 Storm destroyed the previous one. It was designed by architect and member of First Baptist, C.W. Bulgar. It was demolished in 1962 and replaced by the one that stands there today.
