

# Laser Cutting & Etching

*A FREE service presented by the  
Rosenberg Library*

**Harness the power of CO<sub>2</sub> with the  
Rosenberg Library's laser machine!**

You can cut or etch anything you can  
think of on a variety of materials!  
With a file you make or one you find  
online, the power of creation is yours!

Wood, metal, and acrylic is available for  
purchase in the lab, or you can bring  
your own glass.

Consultations are typically available  
Monday through Friday, although file  
drop offs do not require an appointment.

**Please note: Designs must be  
brought on a flash drive as a .JPG,  
.PNG, .SVG, or .BMP file format and  
be ready at time of appointment.**
