Rosenberg Library Digital Media for Personal Computers

From a computer with an internet connection:
Open www.rosenberg-library.org

1. From the e-Library section, select e-Books & Downloads

2. Open Houston Area Digital Media Catalog

3. Once you have selected a book, click “Borrow.”

4. You will be prompted to log in. Select Rosenberg Library from the drop down menu and enter your library card number without spaces.

5. You can select the length of time you would like to borrow the item and then click “Borrow.”

6. You will receive a confirmation and due date for your book. You may download the item or read or listen to the item in your browser right away.

7. To find your loans and holds on your shelf, click on the icon.

Overdrive give you access to e-books, e-audiobooks, and a small selection of videos through our Houston Area Digital Media Catalog collection.

Library e-books will be returned automatically in 14-days.

You may have up to 10 Houston Digital Media titles checked out at one time.

You may return e-books early if you desire.
Hoopla gives you access to **e-books**, **e-audiobooks**, **comics**, **television shows**, **movies**, and **music** with your library card number and an email address.

2. Click on the Hoopla button, you’ll be taken to a page with instructions. After reading, click on the Hoopla button.

3. Click on the “Get Started Today” button and fill out your information on the pop-up window.

Hoopla items will be returned automatically. E-books, e-audiobooks, and comics are returned after three weeks. Movies and television shows are returned after three days and music is returned after seven days.

You may borrow 15 items per month.
