Rosenberg Library Activities Report

JANUARY 2023

"Heather saved my friend’s life. Found his wallet before our cruise with hundreds of dollars in it and she found it and contacted us and returned it fully intact. Wow."

- BRADLEY HAGMAN, GOOGLE REVIEW

My family and I finally got to visit the Rosenberg Library. The staff is friendly, from helping us to set up our library cards to providing information about the library and events. The process to check out books is very effortless after our library cards are set up. The website is also full of info and is consistently updated. I’m most looking forward to bringing my kids here for storytime. There are also exhibits and special archives on the history of Galveston”

“Marcie and my grandson Nick attended the Baby Talk program this morning. She could not stop talking about the presentation and professionalism that the presenter demonstrated. Marcie, being a retired teacher, understands what it takes to be good at this job, and your staff member has it! The effort to make an individualized ‘learning box’ that each child took home was amazing. I hope there was a budget for this teaching tool and the cost did not come from her personally. It is evident that a lot of time and effort was put into each child’s box.”
