## Comments about Galveston's African American heritage in the Archives Program, held by Special Collections

“I cannot thank you both enough for the amazing presentation today. I learned so much about Texas, Galveston, and Black history. I'm sure the audience enjoyed the event as much as I did...so much that they requested the slides that you all used today!”

“I just wanted to send a quick note to thank you for sharing such an interesting program yesterday. I'm sure it was a challenge to narrow the focus of such a varied topic, but it was a success. I know I came away knowing more about this unique aspect of local history.”

“Your program today was very good! Everybody stayed and seemed really connected to what you were saying. You should feel good about it.”
