“Thank you so much for the time you spent in helping us and for sharing the refurbished Goldilocks exhibit. It was as a delightful trip back to my childhood. Galveston and the Rosenberg hold a special place in my heart and you made our trip extra special. I'll enjoy the Museum link you shared and remember your kindness each time I use it.”

- MARIE MCKENNA FERRIER

“Thank you so much for these resources, they were put to good use. I appreciate your support, and I've been pleased to learn a little more about the history of Galveston.”

GALVESTON'S ROSENBERG LIBRARY UNVEILS TRUSTEES HALL, A NEW MUST-SEE EXHIBIT SPACE

f X SHARE

The Rosenberg Library is proud to announce the unveiling of Trustees Hall, located in the historic wing of the library's 4th floor. This includes a new exhibit, Faces and Places of Galveston.

Galveston has a rich history of firsts, and Trustees Hall is located inside one of those firsts: Texas's oldest, continuously run library, **Rosenberg Library**. Located near downtown Galveston, the library is named for its founder, Henry Rosenberg a Swiss merchant and philanthropist who was well known on the island in the late 1800s. He is the same Henry Rosenberg that Rosenberg, Texas is named after.
