“Thank you for taking the time to help me, step by step, to get the Kanopy to work on my phone. **You took such kindness to help me.** I can’t use it at home, for I do not have wifi – I have data but goodness... I will just make a time to enjoy it at the library.”

- CHARLEE

“I love these Compudopt classes so much!”

Breakfast with Santa thrilled children far and wide! This event was the most popular of all social media content this month and had a waiting list of 100+ to attend. Definitely a crowd favorite at the library!

Rosenberg Library hosted a successful West End Library Pop-Up in November at Jamaica Beach Hardware. The West End residents and business were so pleased with the reaction that an additional pop-up has been scheduled for January 2025!

November was a busy month for our Children’s Department as they hosted the Southwest Regional Puppetry Festival, which was a major regional event for the puppetry industry.
