The GTHC hosted an opening reception for the "Living Lineage: Contemporary Art of the Karankawa" exhibit on May 14. Featured artists provided remarks. The exhibit will remain viewable free of charge in the library's second-floor Grand Hallway through Aug. 15 and is part of a joint effort with The Bryan Museum which also has an exhibit highlighting the Karankawa community.

Our Children's Department completed local school visits in May. A total of 4,395 students at 11 different island schools received a fun and educational visit from Karen and Heather, as well as summer reading brochures, which include a detailed calendar of events and pertinent information about how to participate in the children's summer reading challenge.

The 2026 Summer Reading Program started off with a splash with a great turnout from all ages at our Palm Beach Kickoff Party hosted by Moody Gardens! Families once again looked forward to this fun annual event and showed up in their program T-shirts ready for a great time and a dedicated summer of reading ahead.
